

Winn-Dixie Supermarkets - Autumn Cookie Acorns

Ingredient List

- 1 pkg. Golden Mini-Oreos (or Nutter Butter Minis)
- 1 pkg. Hershey's Kisses (or Hugs and Kisses)
- 1 Betty Crocker Cookie Icing
- 1 pkg. chocolate or peanut butter chips

Directions

On parchment paper, gather equal numbers of cookies, Hershey's Kisses and chocolate chips.
(Peel the Kisses first, as the cookie icing will start hardening quickly.)

Squirt a dollop of cookie icing on the flat end of a Hershey's Kiss and press into one end of the Oreo Cookie.

Lay the "acorn" on it's side to allow the icing to dry.

Repeat for as many cookies/Kisses as you need for your party.

Allow to harden for 10 minutes before starting the chocolate chip side.

Add a small amount of icing to the flat end of a chocolate or peanut butter chip and press it into the top side of a partially-completed cookie.

Allow the icing to harden before serving.
